We Care!
Join in supporting our goals.

Crowe Lake Waterway promotes and encourages the following responsible stewardship activities:

- Respect property lines.
- **Be considerate of others by skiing and boarding** out from the shore, as required in the boating regulations.
- Use environmentally friendly products and avoid the use of harsh chemicals.
- Understand how your septic system works.
- Observe the speed limits on the Crowe River and Beaver Creek.
- Follow safe boating regulations and use approved flotation devices.
- Maintain a strip of natural vegetation at the shore line.

Protect our wildlife and their habitat.

CLWA Objective 1

To promote stewardship of the environmental, public and social interests of the area served by the Association.
