## CLWA Implements E-Pay CLWA

Thanks to the efforts of CLWA Webmaster Dave Savournin and CLWA Treasurer Elinor White, we can now offer *E-Pay CLWA* for electronic payment of membership fees and donations using the CLWA website and on-line banking. We are very pleased to offer this convenience to people who want to become new members or want to renew their membership using on-line technology and do not want to write and mail a check. We explored many different possibilities and have found a process that seems to be easy to do, is reasonably priced, and available to most people.

It is a two-step process. First, you transfer money from your bank account to the CLWA bank account using your bank's Interac procedures. Then, you send an email to the CLWA Treasurer with the transfer information and the membership form as an attachment to it. Instructions on the CLWA website [www.clwa.ca](http://www.clwa.ca) will guide people through the process.

## Lighted Boat Parade and Fireworks Canada Day, Saturday July 1<sup>st</sup>

The Boat Parade will start at the lighthouse at Blairton Bay at about 8:30 PM. It will proceed along the north shore to the mouth of the river and then along the south shore with music and lights and flags flying. We're asking everyone to decorate their boats in red and white and in ways to celebrate Canada 150. Celebratory signs are permitted and encouraged but, please, no commercial or corporate advertising signs. Join the festivities in your decorated boat or celebrate on shore with flags and sparklers.

The Fireworks will start at dusk after the World Famous Lighted Boat Parade. We've been working with our fireworks supply company and our detonation team and we have a great show planned for you. We have some special fireworks from China that we've added to the show. The fireworks will go off about dusk after the Boat Parade and all the boats in the Boat Parade have gotten into position.

# Summer

## Crowe Lake Matters

# 2017

## Words from the President

Canada Day and Canada 150 – a twofer if you need a reason to party. We've been planning the Fireworks and Boat Parade for almost a year and it will be huge. Please decorate your boat or your dock in red and white. Noise is encouraged. There are a lot of events during the day in Marmora and Havelock, too. You'll find parades and afternoon celebrations in both.

July has more to offer. The Fishing Derby is part of Family Fishing Week and Chris' Live Bait has lots of prizes ready for anglers on July 8. On July 15, we'll have our AGM. The Curling Club has agreed to host us again and I hope you'll come and spend the morning with us. We'll go through the Committee Reports and business portions of the meeting pretty quickly so we have time for you to tell us what's on your mind.

Did I mention Elections? We'd be happy to have some more people on the Board or some folks who'll say they're available on an "as needed" basis.

Everybody is interested in the possible housing development on Cook Road and we'll set aside some time to discuss that. And, I promise we'll have butter tarts and a Canada 150 cake.

You may have noticed that our buoys and our membership signs appeared a little later than normal this year. The high water and the rainy weather are to blame. Please thank Rob Harding, Ken Parton (this is his last summer and we need a replacement), Glenn Caverly, Tom O'Neill, Rosemary and Gerry Pascoe, Bill Neill and Dave Green for their efforts.

I hope you enjoy the Newsletter. There's some Marmora news, some entertainment opportunities, and some miscellaneous things I thought you might enjoy.

We have a great group of advertisers, so please visit them and thank them for advertising in the CLWA Newsletter (and Shop Local).

# The Bog

The spring runoff on Crowe Lake brought with it an invasion of large mats of cattails and bulrushes. Some of these mini-islands were longer than 3 or 4 pontoon boats and one even had a small tree with a bird's nest. But when they washed up against the shoreline they were a very serious problem. We had a lot of email and questions about what could be done to manage this hazard. We made a number of telephone calls and did some research.

The MNRF and the CVCA will not regulate your actions to remove this debris and will not require a permit for your removal of such material. Removal of the material by mechanical means such as rakes, cutter bars or harvester is exempt but not removal by dredging.

However, that could change once it takes root and is growing. You can only conduct work on shore lands directly in front of your property.

Debris and material that floats up to your shoreline is considered invasive and you have a great deal of freedom to deal with it.

You may also want to discuss the project with neighbours, before starting work.

To learn more about government regulations concerning the removal of aquatic plants, visit [www.ontario.ca/environment-and-energy/remove-invasive-aquatic-plants](http://www.ontario.ca/environment-and-energy/remove-invasive-aquatic-plants)

## Marmora School To Get \$4.5 Million Renovation and Consolidation

The Earl Prentice Public School (currently JK to Grade 3) and the Marmora Senior Public School (currently Grade 4 to 8) will be consolidated in March 2018 on the Marmora Senior site. In September 2017: Marmora Senior Public School will remain grades 4 to 8 and students who normally go to Marmora Senior will go there as usual. Earl Prentice will remain JK to Grade 3 and students who normally go to Earl Prentice will go there in September, as usual. In March 2018, it is anticipated that Earl Prentice students will move to the renovated consolidated school. Funding for this project resulted from a capital priority business case submitted to the Ministry of Education in the summer of 2015.

The project at the Senior Public School:

- Construction of additions to the existing building, including five new classrooms and a new double-size gym;
- Modifications/renovations to the existing building, including a new front entrance, main office, and converting the existing gym to a learning commons/library;
- Building renewal work to replace the heating/ventilation equipment, electrical and communication systems (telephone, data, public address and security), interior/exterior doors and interior finishes, and a new bus loop at the front of the building;

There has been a lot of discussion about the vacant Earl Prentice school building. Representatives from M&L Council have met or talked with municipalities that have converted vacant school buildings to community use. It does not appear to be economically feasible for M&L to use the building for community purposes. The estimated cost of repair and renovation and the annual maintenance costs are beyond the budget of the municipality without significant tax increases.

## New in Marmora

**Community Hub Opened:** A new community center opened on June 2<sup>nd</sup> on the second floor of the Library. The Community Hub will provide space for a variety of community services to the residents of Marmora and Lake who may face barriers that restrict access to resources offered in Belleville and Trenton. The Hub will offer three private office spaces and a conference room to enable service providers to come to Marmora periodically to meet the needs of the citizens of Marmora in a central more accessible location.

**ServiceOntario Reopened:** The office formerly located in Leo's at 12 Forsythe Street closed but it has moved to the Marmora Tourism Centre and reopened in early June.

**Marmora Historical Society To Be Moved:** The second floor of the Marmora Public Library will be the new home of the Marmora Historical Society. Moving day is unknown at this time (1 June).

### Marmora Merchant Market Opens

*from article in North of 7, Marguerite Kitchen*

May 6 a new business opened in Marmora. The Marmora Merchant Market at 1 McGill Street opened for business on the corner of McGill Street and Madoc Street. The building has been known as the Gladney Building and the Lynch Building. The earliest record indicates the building has been in existence since 1883.

The Market is the home of the Marmora Flea Market. It will be open weekends year-round 8 AM to 2 PM. Plans are for it to be a destination offering goods produced by local artisans, bakers and farmers. They are looking for merchants selling jewelry and accessories, antique clothing, antiques, fresh seasonal produce, toys and games, reclaimed wood furniture, and natural skin care products. For more information, call 705-957-4177 or visit their website at [www.RevivedCommunities.ca](http://www.RevivedCommunities.ca) or their Facebook page at [www.facebook.com/marmora.market](https://www.facebook.com/marmora.market).

## M&L Budget Includes Shannon Bridge and Marble Point Road

The Don Shannon Bridge on Cordova Road will get repairs costing \$753,000 this summer. Starting in late- May, Cordova Road will be closed and traffic will detour via Riverview Crescent. There will be a temporary traffic signal at the one-lane bridge on Riverview Crescent. The No Jumping From the Bridge rules will be strictly enforced.

Also in the 2017 M&L Budget for the Highway Department is \$560,000 for road reconstruction, hard top and gravel. Part of this will be used for work on Marble Point Road.

## Crowe Lake Pike Only "Catch 'em and Keep 'em" Fishing Derby Saturday July 8, 2017 – 7 AM to 4 PM

Registration and Weigh In at Chris' Live Bait, Hwy 7 1 km east of Marmora

Age 12 and under Free; Age 13 and over - \$10  
Family Free Fishing Weekend – No License Required

Prizes: in both the under 12 and the over 13 category, all registration fees will be spent on prizes;  
CLWA will provide 2 Gift Certificates.

This is an event for Family Fishing Fun to help reduce the pike in Crowe Lake to help sustain the Walleye stocking under a Put-Grow-Take Initiative. No fish are to be wasted.

If you are not going to eat your fish, arrangements will be made to donate it.

### Rules:

1 prize per entry

Pike only and angler that caught the fish must be present to weigh in the fish

Fishing allowed in Crowe Lake to the north side of the Crowe River Dam in Marmora

Fishing can begin at 7 AM, (you must be registered prior to fishing); last weigh in at 4 PM

Anglers must follow all Ontario Fishing Regulations

For rules and details, contact Chris' Live Bait at 613-472-2832 or [www.chrislivebait.com](http://www.chrislivebait.com)

Email:

# Did You Know That

... in card games, it was once customary to pass an item, called a buck, from player to player to indicate whose turn it to deal. If a player did not wish to assume the responsibility of dealing, he would 'pass the buck' to the next player. And so, shifting responsibility to someone else is called "passing the buck".

...almost 90% of the world's recorded population is considered right handed. Left handed folks are literally a rare type of person! So if you're left handed, be loud and proud about it!

... about 10 million people – approximately 90% of Ontario's population – live in watersheds managed by Conservation Authorities.

... many of the Canada 150 tulips are showing colours other than white and red as expected. The white and red tulip was hybridized in Holland just for Canada 150 and distributed through Home Hardware. The problem is probably in the tulip bulb distribution system rather than in the tulip bulb.

*Happy Summer !*

## CLWA Photo Contest Adds New Category

The CLWA Photo Contest has added a fourth category to celebrate the 150<sup>th</sup> Anniversary of Canada Confederation.

Photos must be in one of four categories:

- Crowe Lake and Its Beauty
- Wildlife Around the Crowe
- Recreation on the Crowe Lake Waterways
- Celebrate Canada 150

Photographs must be taken around Crowe Lake, Crowe River (including Memorial Park in Marmora) or Beaver Creek to be eligible. Each photo requires your name, address, telephone number, *photo caption or title*, date and information on where the photograph was taken. Photos must have been taken within two years of contest. By entering, you are acknowledging your permission for CLWA to use your photo(s).

Prizes in each category: 1st prize \$50; 2nd prize \$30; 3rd prize \$20; and Honorable Mention.

There is a limit of one entry per category for a total maximum of four submitted pictures per person. There will be a limit of one cash prize per person, but there is no limit to the number of Honorable Mentions awards per person or per category.

Photos must be in a JPEG digital or printed 4"x6" format.

Printed photos are to be mailed to: CLWA, Box 192, Marmora, ON, K0K 2M0 or dropped in the CLWA box at Marmora Insurance (Bennett's) on Forsythe Street in Marmora. On-line entries should be emailed to:

[info@clwa.ca](mailto:info@clwa.ca).

Any entry method is acceptable but on-line is preferred.

Entries must be received on or before Wednesday, November 1, 2017.

Winning Photos will be published in the CLWA Winter Newsletter and in other CLWA or local publications. They will be posted on the CLWA Website and Facebook Page. The past winners can be found on the CLWA website at:

[www.clwa.ca](http://www.clwa.ca).
